

EIMC: Ethiopia International Mining Conference & Exhibition

23 - 24 September 2015

Addis Ababa, Federal Democratic Republic of Ethiopia

www.miningethiopia.com

The Ethiopia International Mining Conference 2015 (**EIMC 2015**) will take place from 23rd - 24th September 2015 at the United Nations Conference Centre in Addis Ababa, **Federal Democratic Republic of Ethiopia**. The event is organised by AME Trade Ltd UK in association with the Ministry of Mines of Ethiopia. The event will feature a two-day conference and an associated trade exhibition.

EIMC 2015 will showcase and explore developments in Ethiopia's thriving mining sector and focus attention on potential opportunities, lessons learned by key investors and the creation of new business partnerships.

The event will offer a unique opportunity for senior representatives from the global mining industry, development partners and other stakeholders to network, share experiences and discuss best practices through case studies while addressing opportunities, challenges and other pertinent issues. In addition, the forum will feature a deal-driven exhibition allowing companies to market products and services directly to a qualified target audience. Sponsors and exhibitors include: Ries Engineering, Alex Stewart International Corporate, Ascom Precious Metals, Kefi Minerals, Hagbes Plc, ALS Services Plc, M/S Super Shiv Shakti Chemicals, Red Sea Housing Services Africa amongst others.

Ethiopia's economic transformation agenda continues to enjoy positive assessment from the global business community. With forecasted GDP growth of 7.2% for 2015, Ethiopia remains one of Africa's top performing economies. EIMC 2015 provides the optimal platform to promote and unlock Ethiopia's mineral potential.

The main theme of the conference is: *"Utilising Ethiopia's Natural Resources as the Engine for Sustainable Development"*.

Topics to be discussed include amongst others:

- Investment issues surrounding Ethiopia's developing mining sector
- Artisanal and Small-Scale Mining: ensuring mutually beneficial partnerships
- Update on exploration projects
- Infrastructure development to support the mines
- Electrification: consolidating power provision to the mines
- Capacity building initiatives and supply chain development

Participants at EIMC 2015 will have the opportunity to attend numerous social functions throughout the event, including lunches and cocktail receptions, all designed to create an environment conducive to business development which is unique to Ethiopia.
