

To Organizers of "Project 10 Days" events in North America:

As you know TDA North America (TDA-NA) took the responsibility of opening a new bank account under "Project 10 Days" intended to help the families of the members of the Tigray Police Orchestra car accident victims. So that the fund gets to the families of the artists in a timely manner, we respectfully ask that you send the funds raised in your localities by October 31, 2011 as indicated below. Once received, TDA-NA will then collectively wire the funds to the "Project 10 Days" account in Ethiopia.

To mail a cashiers check or Money order, make Check payable to TDA and put Project 10 on the Memo.

Mail Check to BB&T Bank
