

MELES IS THE AFRICAN HERO

You were great leader great visionary
The African hero the reactionary
The number one leader in our century
You have a big place in our memory
You will be remembered in world history.

You are our diamond our wealth
Our development our health
The African back bone our strength
Our heart is broken after your death.

Your endless hard work your efficiency
Your great vision your legacy
Your wise leadership your policy
Allowed us to see a full democracy.

Thanks to your leadership to your party
We are successfully out of poverty
We will show the world our seniority.

You fought for Africa tirelessly
You fought for Ethiopia endlessly
You made us well known internationally
Thanks to you Meles the revolutionary.

Our great leader one of the best
In 2012 the month of August
Ethiopia have lost the biggest asset
Thanks to your vision Meles the greatest
We will never give up we will do our best,
We will follow your path to complete the rest.
