We, members of the TIGRIANS MUTUAL ASSISTANCE ASSOCIATION of Dallas/Fort worth (TMAA), are truly saddened by the untimely passing of our hero, friend, and leader, his Excellency, the Prime Minister of Ethiopia, Meles Zenawi. Without a doubt, he was an eminent leader and a distinguished Ethiopian and African; a man of tangible competence and compassion. He has set a high bar what it means to love and dedicate your life for a country. As we mourn his death, we make a solemn pledge to take the necessary steps to achieve those grandiose goals he set and finish the business of making Ethiopia a prosperous and democratic country!!!

Finally we would like to send our heartfelt condolences to his families, friends, fellow citizens, and all who loved and adored him.

Sincerely,

Members of TIGRIANS MUTUAL ASSISTANCE ASSOCIATION of Dallas/Fort worth (TMAA)

Dallas, Texas
